Dear Friend of Front Porch Alliance,

Please accept our invitation to Rise and Shine! with Front Porch Alliance (FPA). On November 7, 2018, we're hosting the 2nd Annual Rise and Shine! Breakfast at Front Porch. Your support and attendance are important to our success.

As you may know, Village Presbyterian Church started FPA in 1999 in partnership with the Ivanhoe neighborhood (31st to 47th Street, The Paseo to Prospect) in hopes of building meaningful and supportive relationships and providing educational opportunities for underserved children and families on our city's east side.

We're reaching out to you - someone who cares about our city and its people - to kindly ask for your consideration and support. Your sponsorship will not only help promote innovative youth leadership and educational opportunities, but will strengthen and empower families in making positive, lasting changes in their lives and neighborhoods. Each sponsorship includes a table for ten guests and other benefits.

When you Rise and Shine! with Front Porch Alliance, you become a ray of hope and encouragement! You help sustain our outreach to many of our city's most vulnerable residents. You help expose children to science, technology, engineering, mathematics and the arts. You strengthen our capacity to serve more young parents with healthy child-development training and support.

As you review the accompanying sponsor opportunities, please know your thoughtful consideration is much needed and greatly appreciated. We hope you'll Rise and Shine! with us on November 7th.

With gratitude,
